Tennessee Holocaust Commission

Belz-Lipman Holocaust Educator of the Year 2008

Applicant Essay

On no more than two sides of a page, please address the following:

- 1) the rationale that guides the course of study you offer about the Holocaust;
- 2) what instructional materials, teaching strategies or learning activities do you use to bring vitality to your rationale?
- 3) What are your goals for the grade level you teach? How are they appropriate for your students?
